Rigid/Hard Foam Collection Location & Procedure

Insulation Technology, 35 First Street, Bridgewater, MA

508-697-6926 – https//insultech-eps.com/

This is a collection facility for **clean, dry, tape & label free, rigid/hard foam in clear plastic bags.** If it snaps when bent it can be recycled, If it does not snap when bent, or if it is spongy it CANNOT be recycled.

Drive to the back of the building and look for the one story shed against the building. Slide the doors open and deposit your Styrofoam into the pile. Dropoff is available 24 hours a day, 7 days a week.
